

Babel Participate in the Education Campaign the World

And Evaluate a Variety of Activities

Tammuz organization Social Development had held and in cooperation with the network of the future Iraqi democracy and to support Iraqi Alliance Global Campaign for Education, a variety of activities in the Babil province, during the period 20-28 April, and advocacy of the Global Campaign for Education.

Has been to revive the great lesson in the effectiveness of the two schools from the city of Babylon, one of the other primary schools and vocational schools have been effective during the definition of students and teachers the global campaign for education and the role of the Iraqi coalition for organizations in advocacy, and read the stories of the book which tells the great stories of celebrities and their support for education, such as Wilson Mandela and Queen Rania and others were also raised by the campaign posters and the students glued to the wall of those schools.

This effectiveness is the effectiveness of central and common to all the nations of the world which contribute to this campaign was held the same date, 22 of April, in thousands of schools in the world. Crossed the school and students expressed their thanks to the interest of the theme of education and stressed their support for the campaign, noting the main problems facing the education and work.

As teams of volunteers active youth organization in July of Babel and the distribution of posters pasted the campaign and in many parts of the city of Babylon, especially the popular areas and Kalaswaq trade was the main street and through the distribution of posters to meet with citizens and take their views the importance of education and gain their support for the campaign with a collection of some of the suggestions they have displayed of literacy and educational development.

On the other hand, the July and set up a network of the future / Office of Babylon in the April 27 workshop and special education, global education campaign and the organizations we work hard to wipe out illiteracy in Iraq and the development of education in particular and there is a universal and
